Here is my origami contribution to the coming Chinese New Year of the Monkey 2016. It's a red packet "Li See Fong" and can serve as a fond memento for the occasion. The desired paper size will be 20 cm (8 in.). Wishing one and all heaps of Blessings for the New Year!
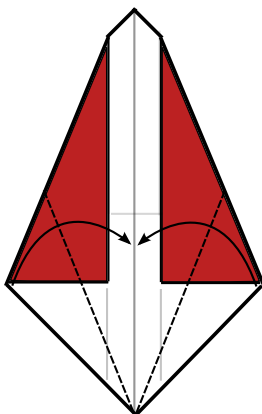

1. Fold diagonally on all corners.

2. Pinch fold to get 1/4 on both sides. Fold/unfold on the marker.

3. Fold sides to the crease made in step 2.

4. Fold both sides to center line.
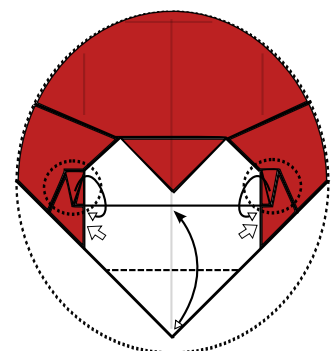

5. Mountain fold/unfold top and turnover.

6. Fold top tip to center line and turn model 180 degrees.

7. Fold/unfold to center.   Inside reverse fold using creases made. Zoom in.

8. Fold top tip and crimp fold to make the eyes. Further zoom in.

9. Fold/unfold the bottom part firmly. Tuck the crimp edges inside the ear caps to lock the eyes by opening and the caps and re-crimping. Check step 10 for result.
